

2011 CANADIAN CARDIOVASCULAR CONGRESS (CCC)
Vancouver, BC • October 22-26

General information

- Posters are presented according to their Learning Track.
- Poster sessions are held in the Community Forum located in Exhibition Halls BC on the Exhibition Level of the Vancouver Convention Centre (West Building).
- Posters are available for general viewing during the Community Forum hours. There are specific viewing times when authors are asked to be present to discuss their poster and answer questions.
- Be sure to check the Final Program to reconfirm the date, time and poster board number of your presentation(s). It will be available electronically at the end of September on the CCC website www.cardiocongress.org, and will also be distributed on-site in Vancouver.

Poster Mentor program

A Poster Mentor circulates, visiting each Poster Author (trainee) during the assigned time period when poster authors (trainees) are present. Poster Mentors provide feedback to the trainee on the following key areas:

- Originality of idea/concepts
- Benefit to colleagues/literature
- Quality of Research (Method/Results/Data)

There is no judging or identification of winners. The purpose of the program is strictly to provide valuable feedback to the trainees.

Poster board specifications

Posters must fit within the following dimensions:

- Width: 91" (2.3 m)
- Height: 45" (1.14m)

Boards will have an identification number located in the top left corner measuring approximately 5" high x 8" wide (12.5 cm x 20 cm).

Velcro dots will be available to affix posters to the boards.

Poster mounting and removal schedule

Poster presenters are asked to mount and remove their posters on their assigned day during the below specified times.
